Taste of On Belay

Celebrating 20 Years of Supporting Kids Impacted by a Loved One's Cancer

Saturday, June 29, 2024
4:00-6:00pm

UNH's The Browne Center

Help us Celebrate 20 Years of On Belay! On Belay is hosting a Taste of On Belay birthday bash, just like our founder, Crescentia Healy True, would have had it! Crescentia loved a good party and often hosted her own birthdays. To celebrate, we are hosting a Taste of On Belay where guests will get a taste of an On Belay program and taste amazing bites from some of the Seacoast's finest restaurants! We will be celebrating this amazing local community and 20 more years of On Belay!

On Belay provides free year-round adventure programs for youth impacted by a loved one's cancer. On Belay's programs are intentionally designed to provide a supportive community of like-experienced peers, uncover inner resilience, and to have a space to have fun. On Belay is a one-of-a-kind program and serves kids from every state in New England. When children leave an On Belay program they overwhelmingly report feeling better, making or seeing a friend, and are excited to come back. It is your support that makes this possible.
